Dear Sir:

**Certificate**  
**OCT 14 2005**  
**of Correction**

It is requested that the attached Certificate of Correction be issued under 37 CFR 1.322 for the above-identified patent. These mistakes are apparently due to Patent Office printing errors.

Col. 4, line 14, replace the word "Theological" with rheological

Col. 27, line 28, replace the word "dostructurized" with destructurized

Correction of these mistakes is believed necessary to avoid ambiguity with respect to the patentees' disclosure and claims.

Respectfully submitted,

BOND ET AL.
